

# **Craftech industries**

CRAFTECH INDUSTRIES, INC. is located in Hudson, New York and has been a manufacturer of plastic hardware, components and injection molds for over 35 years.

Craftech's manufacturing capabilities include screw machining, CNC machining, injection and insert molding, custom mold building, mold analysis services, die cutting and annealing.

We work with over 100 high performance plastic materials. All manufacturing services are performed in-house at Craftech Industries' Hudson, New York plant.

## **MOLDING DIVISION**

(PAGES 5-10) Photos and in-depth description of Craftech's Molding Division.

(PAGES 17-142) Molded fasteners and components to ANSI and DIN standards such as machine screws, nuts, washers, spacers and more. Custom molded products designed and manufactured by Craftech include hinges, handles, eye bolts, u-bolts, pipe hangers and clamps. Custom molded parts are manufactured from your specifications. All phases of molding and mold building are done within our facility.

## **MACHINING DIVISION**

(PAGES 11-15) Photos and in-depth description of Craftech's Machining Division.

(PAGES 143 - 238) Machined fasteners and components to ANSI and DIN standards. Products include machine screws, vented screws, bolts, washers, spacers, nuts, screw insulators and custom precision parts. Send us your specifications for custom machined parts. All screw and CNC machining is done within our facility.

## **DISTRIBUTION DIVISION**

(PAGE 16) Brief description of Craftech's Distribution Division.

(PAGES 239 - 328) To further establish Craftech as a "one stop" source for plastic parts, we have developed a long standing "partnership" with a variety of other well known manufacturers. This section will help you find plastic products that Craftech inventories and distributes.

**A complete TABLE OF CONTENTS follows on the next three pages.**

# TABLE OF CONTENTS

**Introduction and Table of Contents** (pages 1-4) \_\_\_\_\_

**Craftech Industries, Inc.** - a pictorial section on Craftech's three divisions (pages 5-16) \_\_\_\_\_

Molding Division ..... 5-10

Machining Division ..... 11-15

Distribution Division ..... 16

*Craftech  
has been manufacturing  
machined and molded plastic  
fasteners and components  
for over 35 years.*

**Craftech's product line** (pages 17-28) \_\_\_\_\_

Handles ..... 17 Hinges ..... 18-21

Leveling Foot ..... 22

Eye Bolts ..... 23

U-bolts ..... 24-25

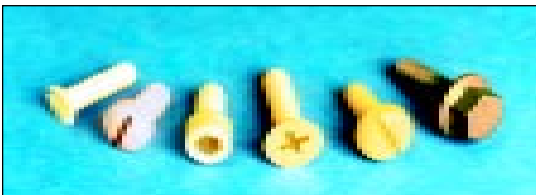

Clevis/Pipe Hanger ..... 26

Beam Clamps, Clip & Accessories ..... 27-28

*Craftech provides solutions  
to your needs  
by designing and manufacturing  
our own product line.*

**Molded Products** (pages 29-142) \_\_\_\_\_

STANDARD Machine, Cap & Thumb Screws:  
MH Series ..... 30-34  
J Series ..... 41-45  
K Series ..... 52-56  
L Series ..... 63-67

STANDARD Nylon & Polycarbonate Machine, Thumb, Cap & Set Screws ..... 74-92

METRIC Nylon Machine, Thumb, Cap & Set Screws ..... 93-100

Nylon Thumb Screw Knobs ..... 101-102

**Table of Contents (continued)**

**Molded Products (pages 29-142)**

STANDARD Hex, Flanged & Clamp Nuts MH Series ..... 103 J Series..... 104 K Series ..... 105 L Series..... 106	METRIC Hex Nuts MH & J Series ..... 107 K & L Series ..... 108
---	---

STANDARD Nylon Nuts ... 109-113	METRIC Nylon Nuts ... 114-115
------------------------------------	----------------------------------

Acme Nuts MH & J Series ..... 116 K & L Series ..... 117
--

Washers & Spacers ..... 118-132	Shoulder Washers, Insulators & Standoffs ..... 133-142
------------------------------------	--

*Craftech produces quality machined and molded products for the Semiconductor Processing Equipment, Aerospace, Telecommunications, Chemical, Electronics, Computer and Marine industries and other commercial markets.*

**Machined Products (pages 143-238)**

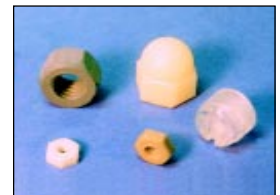

STANDARD Machine, Hex Socket, Cap, Thumb & Set Screws ..... 144-155	METRIC Bolts, Machine, Cap, Thumb & Set Screws ..... 156-160
--	---

Vented Screws ..... 161
----------------------------

STANDARD Captive Panel Screws ..... 162-1770
--

STANDARD Nuts ..... 159-160	METRIC Nuts ..... 180
--------------------------------	--------------------------

Washers ..... 181-195	Spacers ..... 196-202
-----------------------	-----------------------

Shoulder Washers ..... 203-222	Shoulder Bushings, Screw Insulators & Bushings ..... 223-229
-----------------------------------	--

Standoffs ..... 230-235
-------------------------

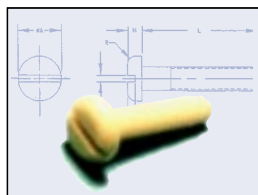

Machined Products and Table of Contents continued next page.

## Table of Contents (continued)

### Machined Products (pages 143-238)

STANDARD, METRIC  
& ACME Threaded Rod  
..... 236-237

MILITARY STANDARDS  
Fasteners & Components  
..... 238

*Craftech's in-house  
machining, molding and mold making capabilities  
provide manufacturing choices  
that best meet your requirements.*

### General Distributed Products (pages 239-328)

Wire Handling Hard-  
ware & Accessories  
..... 240-247

Panel Fasteners &  
Hole Plugs ..... 248-263

Product Protection  
Caps and Plugs  
..... 264-285

Tube Fittings .. 286-298 Kynar, (PVDF)  
Tube/Hose Fittings  
..... 299-304

Tube/Hose Clamps  
..... 305-312

Cabinet Feet ..... 313

Quick-Bind Hardware  
..... 314-316

Bushings for Electrical  
Applications... 317-321 Plugs for Electrical  
Applications... 322-328

### Index (pages 330-376)

Material Properties ..... 330-333	Chemical Resistant Data ..... 334-338	Isoplast ..... 339-342	Ryton ..... 343	Ultem ..... 344-345
Noryl ..... 346	Radel ..... 347-350	Stanyl Nylon 46 ..... 351-352	PEEK ..... 353-354	PVDF ..... 355
Halar ..... 356	Phenolic & Glass Epoxy ..... 357	Rexolite ..... 358	Udel Polysulfone ..... 359	Vespel ..... 360
PVC & CPVC ..... 361	PTFE, PFA, FEP, ETFE, CTFE ..... 362-363	Vinyl Ester ..... 364	Guide to Plastics ..... 365-366	Material List ..... (numerical) 367
Material List ..... (alphabetical) 368	Index by Part Number ..... 369-371	Index by Entry ..... 372-376	Terms & Conditions ..... Inside Back Cover
