

QUICK-BIND HARDWARE

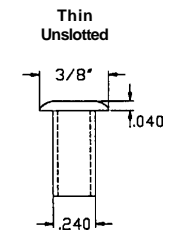

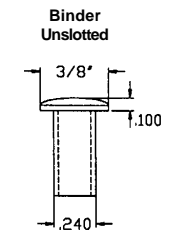

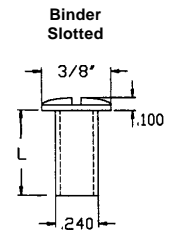

Rapid Assembly Post and Screws (p. 314-316) are useful in binding together punched cardboard, paper, fabric, plastic and a multitude of other materials. Posts are molded in polyethylene and screws are molded in nylon. For a more secure assembly see Ratchet Assembly Post and Screws on p. 316 which features screws with serrated pins that allow variable assembly. Ratchet Assembly Post and Screws are molded in nylon or polypropylene.
